## July Meeting

The competition and critique meeting will be 7:00 PM July 12 at Tracy Gee Community Center, 3599 Westcenter Drive, which is one block inside Beltway 8 between Westpark and Richmond.

### From the President...

This month Houston Photochrome Club will be judging Nature images (both projected and prints) for Gulf States Camera Club Council (GSCCC).

Our responsibility to judge one month allows our club to participate in competition within GSCCC for the year.

Please plan to attend and help with the judging. In addition to judges, members are needed to assist with projections, record keeping, etc.

You will also have an opportunity to see a number of top quality images for inspiration. This is always a fun and educational event.

Come and see what others are doing. Tracy Gee Center at 7:00pm.

## Field Trip for July

The field trip this month will be to one of the all-time favorite field trip sites of generations of Photochrome members. You guessed it: Nelson Water Gardens.

Rolf and Anita Nelson have once again granted our request to enjoy their commercial venue, which will provide us with plenty of water lilies to shoot.

Of course, bees and dragonflies just may find their way into your viewfinder too. There are other subjects to shoot, such as wind chimes, garden art and pottery. To make things even more interesting, we will have a contest among entries taken on the field trip, with prints of the blue ribbon shot going to the winning photographer and to the Nelsons! See Contest article on page 2.

Bring your tripod, your short to medium teles, and macros. You may also want to bring your flash, just in case.

This excursion will be on Saturday, July 14 at 8:00am (before the public opening time!)

Nelson Water Gardens is located at 1502 Katy - Fort Bend Rd, Katy, TX 77493. Go west on I-10, take exit 742, continue west on the frontage road to the first light at "Katy-Fort Bend Rd". Turn right (north) at this light, and go 1/2 mile - Nelson Water Gardens will be on the right.

Nelson Water Gardens is located at 1502 Katy Fort Bend Rd, Katy, TX 77493.
